Recipient Name	Project Purpose	Project Location	Amount Requested (\$000)
Cochise County Sheriff's Office	Public Safety in Cochise County: This funding will be used to implement a new monitoring program to help with searches in remote areas. Funding will also be used to purchase ballistic shields to protect personnel from gunfire, safety and radio equipment to support Search and Rescue (SAR) volunteers, and a large capacity prisoner transport vehicle.	Cochise County AZ	\$246
City of Glendale Arizona	Glendale AZ Public Safety Mobile Command Center: The current Mobile Command Center was configured in the year 2000 and is outdated, lacking proper communications equipment, making it unable to adequately meet the public safety needs of the community. Glendale AZ	\$715
Lake Havasu City	Lake Havasu City Police Station and Jail Refurbishment: This funding will upgrade and rehabilitate the nearly 30 year old police station and jail to provide a new roof and HVAC system, replace the flooring and existing cast iron waste system, and upgrade the jail cells, doors, locks and fire safety system.	Lake Havasu City AZ	\$3,372
Town of Mammoth	Town of Mammoth Public Safety Patrol Vehicles: This funding will be used to provide much needed updated patrol vehicles for the Town of Mammoth. The current patrol cars are damaged and unreliable.	Mammoth AZ	\$140
