Recipient Name	Project Purpose	Project Location	Amount Requested (\$000)
Yavapai College	Yavapai College Career Services Center - This will renovate a portion of the college's Prescott Valley Center into a Career Services Center to better prepare students to enter the workforce and connect Arizona employers with students to help them fill in-demand jobs that fit their skill sets.	Prescott Valley AZ	\$1,259
Diné College	Dine College Technology Transfer Center - This would create a technology transfer center at the only college dedicated to serving the Navajo Nation. The unemployment rate on the Navajo Nation is near fifty percent, and a technology transfer center would help spur entrepreneurship, get students critical experience, and provide economic opportunities.	Tsaile AZ	\$1,075
