The Honorable Roy Blunt  
Ranking Member  
Labor, Health and Human Services,  
Education, and Related Agencies  
Committee on Appropriations  
U.S. Senate  
Washington, D.C. 20510

Dear Chairman Murray and Ranking Member Blunt:

I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2023 Senate Labor, Health and Human Services, Education, and Related Agencies appropriations bill, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate.

Sincerely,

Mark Kelly  
United States Senator

**Kelly, Mark(D-AZ) Labor and Health and Human Services  
Congressionally Directed Spending Requests**

<b>Recipient Name</b>	<b>Project Purpose</b>	<b>Project Location</b>	<b>Amount Requested (\$000)</b>
Benson Hospital	Mobile MRI for Cochise County - This will fund a mobile MRI for Cochise County, a large and rural county in Southern Arizona, for use by three nonprofit community health systems to better diagnose and care for patients.	Benson AZ	\$2,250
Copper Canyon Fire and Medical District	Copper Canyon Fire District Ambulance – This project will replace an aging ambulance for the Copper Canyon Fire District, a large and rural fire district. The current ambulance is more than 15 years old and is in need of significant maintenance to continue operating.	Camp Verde AZ	\$212
Creek Valley Health Clinic	Colorado City Training Center - this will build a community-wide training center near the town's current health clinic to host trauma-informed care, mental health first aid, parenting, policing, and other training programs to support the community and get Arizonans skills they need.	Colorado City AZ	\$950
Chiricahua Community Health Centers, Inc.	Cochise County Rural Mobile Mammography Unit - Every year, thousands of at-risk women in Cochise County don't receive recommended screening mammograms due to distance and other barriers. This will provide Chiricahua Community Health Centers with a state-of-the-art Mobile Mammography Unit to screen eligible women regardless of ability to pay.	Douglas AZ	\$984
Highlands Fire District	Highlands Fire District Equipment - this will acquire protective equipment, hydraulic extraction tools, and mobile tablets to protect firefighters and provide more responsive services to patients.	Flagstaff AZ	\$158
Northern Arizona Healthcare	Northern Arizona Healthcare Wound Care Center – This project will fund the construction and purchase of equipment to support a wound care center at Northern Arizona Healthcare's hospital in Flagstaff, AZ. The wound care center will be able to utilize the best and latest treatments and equipment for wound care in a medically underserved area that has high rates of diabetes and vascular disease resulting in chronic wounds that often lead to amputations.	Flagstaff AZ	\$4,000
City of Kingman	City of Kingman Automated External Defibrillators – This project will help the City of Kingman purchase 50 replacement Automated External Defibrillators (AEDs) which will replace aging AEDs used by the fire department and allow for a greater deployment of AEDs in the community.	Kingman AZ	\$171
Maricopa County Community College District	Maricopa Community College District Biomedical Technician Program – This project will allow the Maricopa Community College District to establish a biomedical technician training program at the downtown Phoenix Biomedical Campus. This program will get Arizonans skills they need for good-paying jobs and help address shortages of health care workers in the Phoenix area.	Phoenix AZ	\$1,815
City of Surprise	Northwest Valley Multigenerational Community Resource Center – This funding will support the construction of the Northwest Valley Multigenerational Community Resource Center. This center will house the Surprise Senior Center, which provides health and wellness programming and support groups for elderly residents living in the region, and will also provide programs and services for youth, adults with disabilities, and families facing poverty.	Surprise AZ	\$1,000
Navajo Nation Division of Social Services	Tuba City Domestic Violence Shelter – This project will construct a new domestic violence shelter to serve the Tuba City region, which lacks a shelter despite being the largest city on the Navajo Nation. The new, 24-bed domestic violence shelter will be administered by the Navajo Department of Family Services and operated in close proximity to the Tuba City Hospital.	Tuba City AZ	\$4,172
Pima County	Job Center at Pima Community College – This project will allow Pima County to operate a new American Job Center at a facility adjacent to Pima Community College, to help job-seekers access workforce placement programs, or gain access to workforce training programs at Pima Community College.	Tucson AZ	\$2,700

Libby Howell	Pima Community College Center of Excellence in Applied Technology - This will enable Pima Community College to purchase equipment to expand its workforce training programs for commercial and industrial HVAC and refrigeration competencies. This new program will make PCC one of very few colleges and technical schools that will be able to more fully train and prepare students to start careers in the industry and to reskill/upskill technicians already employed in the industry, both serving employers and strengthening the regional economy.	Tucson AZ	\$1,232
Pima County JTED #11	Pima JTED Medical Careers High School - this will support the creation of a high school dedicated to preparing students for careers in medical and health care professions, getting them the skills to immediately fill vacancies in hospitals, labs, and offices or to pursue higher education in health care. This school will partner with industry to address low staffing levels in Arizona health care.	Tucson AZ	\$3,000
Arizona Western College	Arizona Western College Workforce Development - This will provide the necessary equipment for Arizona Western College to create a specialized workforce training program for electrical technicians. This will get more Arizonans the skills they need including in instrumentation, robotics, and other advanced concepts, to get good-paying jobs in an area that is growing and home to a number of aerospace and defense companies.	Yuma AZ	\$1,000
