The Honorable Shelley Moore Capito
Ranking Member
Subcommittee on Labor, Health and
Human Services, Education, and
Related Agencies
Committee on Appropriations
U.S. Senate
Washington, D.C. 20510

Dear Chair Baldwin and Ranking Member Capito:

I certify that neither I nor my immediate family have a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2024 Senate Labor, Health and Human Services, Education, and Related Agencies appropriations bill, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate.

Sincerely,

Mark Kelly
United States Senator

**Kelly, Mark(D-AZ) Labor and Health and Human Services
Congressionally Directed Spending Requests**

Recipient Name	Project Purpose	Project Location	Amount Requested (\$000)
Creek Valley Health Clinic	Colorado City Health Care Service Expansion – This project will support expansion and improvement of health services along the northern Arizona Strip. This region is approximately 35 miles, spans from Colorado City to Fredonia, and includes rural communities of northern Mohave and Coconino Counties.	Colorado City AZ	\$2,968
Community Health Center of Yavapai	Yavapai Electronic Health Record Upgrades – This project will modernize the Community Health Center of Yavapai's (CHCY) electronic health record system to improve patient services.	Cottonwood AZ	\$87
Canyonlands Healthcare	Canyonlands Healthcare Duncan Facility – This project will replace and expand the existing, structurally unsound, Canyonlands Community Health Center. The completion of this facility will allow for more patient visits, the addition of behavioral health services, and more telehealth capabilities.	Duncan AZ	\$2,500
Central Arizona College	Pinal County Telecommunications Initiative – This project will set up a two-week training program at Central Arizona College (CAC) for entry-level jobs in the fast-growing telecommunications industry.	Maricopa AZ	\$1,024
Parker Fire District	Parker Fire District EMS Housing – This project will remodel the existing building to house staff for emergency medical response. The Parker Fire District does not have sleeping quarters for firefighters.	Parker AZ	\$225
Buckskin Fire District	Buckskin Fire District Ambulance – This project will add an ambulance and power cot to the Buckskin Fire District to allow the district to more quickly transport and treat patients.	Parker AZ	\$335
Arizona Commerce Authority	Arizona Semiconductor Workforce Accelerator – This project will design and provide equipment necessary to establish a new Semiconductor Workforce Accelerator, a state-of-the-art training facility designed to prepare Arizonans for semiconductor industry jobs.	Phoenix AZ	\$2,000
Maricopa Community Colleges	Semiconductor Workforce Training Program – This project will provide additional programming needed for semiconductor technician training and the development of additional training locations for greater access to jobs in the West Valley.	Phoenix AZ	\$2,875
Adelante Healthcare	Adelante Healthcare Facility Expansion Project – This project will renovate a newly purchased building and purchase equipment to serve a demonstrated need for additional health care services, including behavioral health treatment, in the Phoenix community.	Phoenix AZ	\$5,000
Terros Health	Arizona Center for the Blind and Visually Impaired Partnership – This project will provide comprehensive primary medical care, evidence-based mental health and substance use treatment, and supportive services for those with vision impairment and surrounding community members.	Phoenix AZ	\$1,160
Valleywise Health Foundation	Valleywise Comprehensive Simulation Training Program – This project will develop a simulation training environment for faculty, students, and clinical staff to help address the healthcare provider shortage in Maricopa County.	Phoenix AZ	\$1,911
Yavapai College	Yavapai College Health Sciences Center – This project will construct a new Health Sciences Center at Yavapai College. It will allow the college to expand its current Health Sciences programming and add new programs such as Dental Assistant, Pharmacy Technician, Physical Therapy, and Clinical Lab.	Prescott Valley AZ	\$5,000

Yavapai Regional Medical Centers	Yavapai Regional Medical Centers Virtual Care – This project will equip patient beds in the Yavapai Regional Medical Centers with Virtually Integrated Care to improve patient care and services.	Prescott and Prescott Valley AZ	\$491
Mount Graham Regional Medical Center	Mount Graham Regional Medical Center PET/CT Scanner – This project will enable the Mount Graham Regional Medical Center to acquire PET/CT scanning equipment. No facility in southeast Arizona has PET/CT scanning equipment, making treatment for diseases such as cancer unavailable in the area.	Safford AZ	\$500
City of San Luis	City of San Luis Ambulance – The city is finishing construction of fire station #2 and this funding will purchase an ambulance to help reduce response times for the community.	San Luis AZ	\$315
Fry Fire District	Fry Fire District Medical Equipment – This project will provide automated external defibrillators, powered stair chairs, and patient gurneys. It will support patients experiencing an out-of-hospital cardiac arrest and improve safety for both patients and first responders.	Sierra Vista AZ	\$329
White Mountain Regional Medical Center, f.k.a. White Mountain Communities Hospital, Inc.	White Mountain Regional Medical Center Emergency Department Expansion – This project will expand and improve the White Mountain Regional Medical Center's emergency department by renovating existing space and expanding the building, increasing the current 5 licensed beds to 9 licensed beds.	Springerville AZ	\$3,000
Arizona Fire & Medical Authority	Emergency Medical Services Equipment Purchase – This project will provide Arizona Fire & Medical Authority first responders with state-of-the-art training and EMS equipment. The updated training and equipment will allow first responders to provide optimum pre-hospital emergency care to patients.	Sun City West AZ	\$140
Pima Community College	Center of Excellence in Health Professions Technology – This project will provide Pima Community College with training equipment and specialized infrastructure needed for the Center of Excellence in Health Professions Technology and the Simulation Center.	Tucson AZ	\$2,500
Chiricahua Community Health Centers, Inc.	Chiricahua Community Health Centers Willcox Dental and Medical Clinic Equipment – This project will equip the new medical and dental clinic in the rural town of Willcox, AZ with the necessary equipment to expand access to medical and dental care.	Willcox AZ	\$790
North Country HealthCare, Inc.	Winslow Community Health Center Clinic Project – This project will complete construction and alteration of a permanent health center that will increase patient capacity and add specialized departments to North Country HealthCare in Winslow.	Winslow AZ	\$1,734
Yuma Regional Medical Center	Yuma Regional Medical Center – This project will expand the radiation therapy department and modernize the linear accelerator equipment housed there to expand access to life-saving cancer care, promote health equity and create new jobs.	Yuma AZ	\$1,500
Arizona Western College	Yuma STEM Ecosystem – This project supports the Yuma STEM Ecosystem Hub, which will support innovation and job creation by hosting community events, connecting STEM stakeholders, and leveraging existing community assets.	Yuma AZ	\$1,809
Arizona Western College	Healthcare IT (HIT) and Telehealth Workforce Training – This project will support Arizona Western College's introduction of two training certificates - HIT and Telehealth, which will provide opportunities for students to get training to work in a rapidly growing field.	Yuma AZ	\$2,025
