The Honorable John Hoeven
Ranking Member
Subcommittee on Agriculture, Rural
Development, Food and Drug
Administration, and Related Agencies
Committee on Appropriations
U.S. Senate
Washington, D.C. 20510

Dear Chairman Heinrich and Ranking Member Hoeven:

I certify that neither I nor my immediate family have a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2025 Agriculture, Rural Development, Food and Drug Administration, and Related Agencies appropriations bill, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate. I further certify that none of the entities for which I have requested congressionally directed spending are for-profit entities.

Sincerely,

Mark Kelly
United States Senator

**Kelly, Mark(D-AZ) Agriculture
Congressionally Directed Spending Requests**

Recipient Name	Project Purpose	Project Location	Amount Requested (\$000)
Alpine Fire District	Alpine Fire District Emergency Response Vehicle – This project will purchase a new emergency response vehicle for the Alpine Fire District, increasing its capacity to support fire, EMS, and search and rescue operations in rural eastern Arizona.	Alpine AZ	\$140
City of Bisbee – Fire Department	Bisbee Fire Truck – This project will allow the City of Bisbee to replace a 30-year-old fire truck with a new aerial ladder fire truck so that Bisbee has the resources needed to fight fires in the historic downtown district.	Bisbee AZ	\$1,200
Town of Clarkdale	Clarkdale Police Station – This project will make important structural upgrades to the Clarkdale Police Station. The building dates back to 1918 and needs critical repairs to provide a safe working environment for law enforcement personnel.	Clarkdale AZ	\$132
Clifton Volunteer Fire Department	Clifton Fire Truck – This project will allow the Clifton Volunteer Fire Department to replace a 20-year-old fire truck with a brand-new fire truck. This will be the first new fire truck purchased by the Department in decades and will aid in fire response throughout the rural and remote region.	Clifton AZ	\$756
San Carlos Irrigation and Drainage District (SCIDD)	San Carlos Irrigation and Drainage District Watershed Rehabilitation and Modernization–This project will make several improvements to conserve surface water, improve irrigation water delivery efficiency, and provide dependable irrigation for farmland within San Carlos Irrigation & Drainage District.	Coolidge AZ	\$3,750
Mayer Fire District	Mayer Fire District Station Replacement – This project will replace a decades-old fire station, which does not currently meet minimum living or safety standards.	Cordes Lakes AZ	\$1,125
City of Globe	City of Globe Fire Station – This project will replace the current fire station in the City of Globe. The proposed facility will be designed to house operational personnel, an administrative office, and training and community spaces.	Globe AZ	\$3,500
Mohave Valley Fire District	Mohave Valley Fire District Radios – This project will allow the Mohave Valley Fire District to purchase state-of-the-art handheld and mobile radios, which will provide reliable communications for first responders in the Mohave Valley region.	Mohave Valley AZ	\$174
La Paz County	Eagle Wash Flood Control Study – This project will start the process of updating the floodplain maps near Eagle Wash in La Paz County to help nearby residents and businesses better plan for potential flood risks.	Parker AZ	\$55
Williamson Valley Fire District	Williamson Valley Fire Station Replacement – This project will replace the district's existing fire station, a 1999 manufactured home, with a new station that will better serve the rural district's needs as a 24/7/365 all hazards emergency and EMS response department.	Prescott AZ	\$938
Tonto Basin Fire District	Tonto Basin Fire Station Remodel – This project will renovate the fire station for the Tonto Basin Fire District. The fire station was originally constructed in 1970 and now needs significant upgrades to meet the needs of today's first responders.	Roosevelt AZ	\$132
Town of Superior	Superior Fire Engine – This project will replace a 25-year-old fire engine with a new fire engine for the Superior Fire Department.	Superior AZ	\$691
Coconino County	Tuba City Regional Service Center – This project will help construct a facility to provide county services to outlying areas of Coconino County, including the Navajo Nation. This one-stop service center will house the Coconino County Sheriff sub-station, a computer lab, & a community meeting space.	Tuba City AZ	\$894
