WASHINGTON, DC 20510-0309

COMMITTEES  
SPECIAL COMMITTEE ON AGING  
COMMITTEE ON ARMED SERVICES  
COMMITTEE ON ENVIRONMENT AND PUBLIC WORKS  
SELECT COMMITTEE ON INTELLIGENCE  
JOINT ECONOMIC COMMITTEE

May 13, 2025

The Honorable Jerry Moran  
Chair  
Subcommittee on Commerce, Justice,  
Science, and Related Agencies  
Committee on Appropriations  
U.S. Senate  
Washington, D.C. 20510

The Honorable Chris Van Hollen  
Ranking Member  
Subcommittee on Commerce, Justice,  
Science, and Related Agencies  
Committee on Appropriations  
U.S. Senate  
Washington, D.C. 20510

Dear Chair Moran and Ranking Member Van Hollen:

I certify that neither I nor my immediate family have a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2026 Commerce, Justice, Science, and Related Agencies appropriations bill, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate. I further certify that none of the entities for which I have requested congressionally directed spending are for-profit entities.

Sincerely,

A handwritten signature in blue ink that reads "Mark Kelly". The signature is written in a cursive, flowing style with a long horizontal stroke underneath the name.

Mark Kelly  
United States Senator

Congressionally Directed Spending Requests**

<b>Recipient Name</b>	<b>Project Purpose</b>	<b>Project Location</b>	<b>Amount Requested (\$000)</b>
City of Benson	City of Benson Police Communications Upgrades - This project will upgrade public safety radio servers, workstations, software, and fiber electronics to replace thirty-five-year-old cables and improve emergency response covering a dispatch area of over 300 square miles.	Benson AZ	\$1,000
Cochise County Sheriff's Department	Cochise County Sheriff's Department Communications Equipment - This project will update satellite communications equipment to allow for seamless emergency communications regardless of terrain or distance from existing radio frequency infrastructure across an expansive, mountainous area.	Bisbee AZ	\$1,000
Town of Camp Verde	Town of Camp Verde Police Equipment Upgrades - This project will replace three aging patrol vehicles and install new communications infrastructure to address critical radio communication gaps in the Verde Valley region.	Camp Verde AZ	\$180
Chino Valley Police Department	Chino Valley Police Department's Mobile Data Computers - This project will provide every officer of the Chino Valley Police Department a mobile data computer for their police vehicle, a critical piece of equipment needed for safety and efficiency.	Chino Valley AZ	\$130
City of Cottonwood	Cottonwood Regional Communications Center Radio Infrastructure Upgrades - This project will upgrade critical public safety communication infrastructure and modernize emergency communications to support Cottonwood and the surrounding area.	Cottonwood AZ	\$448
City of Douglas	Douglas Police Equipment – This project will provide a new armored response vehicle, new imaging technology, and new vehicle computers for the Douglas Police Department.	Douglas AZ	\$627
City of El Mirage	El Mirage Mobile Command Vehicle – This project will replace the Mobile Command Vehicle for the City of El Mirage. The City's current Mobile Command Vehicle is more than 20 years old, and in need of replacement.	El Mirage AZ	\$1,500
City of Eloy	Eloy Police Department Technology Upgrades – This project will allow the Eloy Police Department to upgrade the department's outdated record management system to improve emergency response and public safety.	Eloy AZ	\$1,388
Coconino County Sheriff's Office	Coconino County Public Safety Communications – This project will improve public safety in Coconino County by upgrading radio equipment used by first responders and acquiring mobile and portable radios to allow for seamless interagency communication.	Flagstaff AZ	\$1,980
City of Globe	City of Globe Police Department Vehicle Upgrades - This project will allow the City of Globe to purchase new police vehicles to replace a fleet of 20-year old vehicles.	Globe AZ	\$550
City of Nogales - Nogales Police Department	Nogales Police Vehicles – This project will equip the Nogales Police Department with five new incident command response vehicles. These vehicles will replace existing and outdated response vehicles that are used in part to respond to border security-related incidents.	Nogales AZ	\$481
La Paz County Sheriff's Office	La Paz County SWAT Team Response Vehicle – This project will allow the La Paz County SWAT team to acquire a response vehicle to support the team's ability to respond to critical incidents throughout the county.	Parker AZ	\$579
Town of Prescott Valley	Prescott Valley Police Department Equipment Upgrades - This project will provide security systems, communication platforms, tactical gear, and vehicle upgrades to strengthen Prescott Valley Police Department's capacity for crime prevention, emergency response, and evidence management.	Prescott Valley AZ	\$1,200

Safford Police Department	Safford Police Department Mobile Command Center - This project will provide an interagency mobile communications vehicle to improve emergency response in Graham County.	Safford AZ	\$250
The Town of Sahuarita	Sahuarita Police Radios – This project will upgrade handheld radios for the Sahuarita Police Department. The department's current technology is more than 10-years old and can no longer be repaired or supported.	Sahuarita AZ	\$810
City of San Luis	San Luis Police Department Technology and Equipment Upgrades - This project will purchase essential law enforcement equipment including mobile and handheld radios to enhance officer safety, improve communication, and strengthen public safety in a high-trafficked border community.	San Luis AZ	\$210
Arizona State University	ASU Center for Heat Preparedness - This project will establish and provide equipment for the ASU Center for Heat Preparedness to develop solutions that make infrastructure more resilient to extreme heat.	Tempe AZ	\$2,600
Arizona State University	ASU Chip Water Reuse Technology - This project will develop innovative water reuse technologies and infrastructure for advanced microelectronics manufacturing.	Tempe AZ	\$3,000
Pima County Sheriff's Department	Pima County Sheriff's Department Training Facility Upgrades – This project will upgrade the facilities at the Pima Regional Training Center to improve training opportunities for the sheriff's department and other law enforcement agencies that train at the facility.	Tucson AZ	\$1,400
Tucson City Court	Tucson City Court Victim Services Expansion - This project will make Tucson safer by expanding court-based domestic violence support services in Pima County.	Tucson AZ	\$2,993
City of Tucson	Tucson Police Vehicles – This project will provide new police response vehicles for the Tucson Police Department. The Department's current vehicles are aging and in need of replacement.	Tucson AZ	\$2,000
Town of Wellton Police Department	Town of Wellton Police Vehicles – This project will allow the Town of Wellton to purchase four new police vehicles to enhance their aging and unreliable fleet.	Wellton AZ	\$324
City of Williams	Williams Police Communications Infrastructure Upgrades - This project will update 25-year-old radio infrastructure in the city's 911 dispatch center, serviced by both police and fire departments in the region.	Williams AZ	\$462
Navajo Nation Department of Public Safety	Navajo Nation Multipurpose Training Center Equipment - The project will fund the purchase of vehicles, trailers, and related equipment for the Navajo Nation Division of Public Safety to support operations and training activities for law enforcement.	Window Rock AZ	\$2,039
City of Winslow	City of Winslow Police Vehicles - This project will purchase eight police vehicles to improve officer safety and response.	Winslow AZ	\$755
